About AIA Vitality Active Benefits

AIA Vitality members can enjoy weekly rewards for being active. We all need a little extra motivation sometimes and AIA Vitality Active Benefits gives you something to work towards every week!

What is the benefit?

You will receive a \$5 reward when you reach your personalised Active Benefits target each week.

DONATE

Who can use these benefits?

AIA Vitality Active Benefits is only available to current AIA Vitality members who opt-in to Active Benefits via the AIA Vitality app. AIA Vitality members are able to use the vouchers for themselves or share with their family and friends – where the redemption process is via a code and pin redemption.

PLEASE NOTE: AIA Vitality members who have activated the Apple Watch Benefit and commenced benefit tracking cannot choose any of the Active Benefits rewards detailed in this guide. All Active Benefits rewards earned when the Apple Watch Benefit is live will automatically contribute towards reducing the monthly loan repayment to etika. Please refer to the Apple Watch Benefit Guide or the AIA Vitality app for more information.

Members selecting \$5 into a Commonwealth Bank account as an Active Benefits reward must ensure details of a valid Commonwealth Bank account are provided. Only one nominated bank account is permitted per AIA Vitality membership.

How does the benefit work?

- AIA Vitality will set you a weekly personalised Active Benefits target every Monday. You need to complete fitness activities between the Monday your target cycle starts and midnight the following Sunday.
- This target is set based on your target achievement over the previous few weeks.
- You will have until the Saturday after the target week to sync your activity data from your fitness device. We recommend you sync every day to be able to access the reward immediately upon reaching your target.
- You'll earn a \$5 reward each week when you achieve your personalised Active Benefits target.
- You can choose to redeem your rewards as:
 - a \$5 voucher for Uber, Uber Eats, Woolworths, Google Play, Apple Gift Card, participating AFL clubs: St Kilda and Collingwood.

SAVE

- a \$5 donation to one of six Australian charities; Black Dog Institute, Cancer Council Australia, National Breast Cancer Foundation, Diabetes Australia, The Forktree Project or Baker Heart and Diabetes Institute via the AIA Vitality mobile app.
- a \$5 monetary deposit into a nominated Commonwealth Bank account.
- You will have 7 days from the day you achieve your target (which may be earlier than the end of the week) to choose your reward voucher.
- To use your reward simply follow the steps for each voucher supplier. Some vouchers can be used either online or offline, or both. Check the terms and conditions of your chosen voucher for more information.

AIA Vitality Points

- AIA Vitality Points will be awarded depending on level of exercise completed. Refer to the AIA Vitality app under the Improve Your Health tab to learn how points are awarded based on calories, steps, speed and heart rate.
- You can earn a maximum of 100 AIA Vitality Points each day for all fitness-related activities (excluding organised fitness events) including gym session, walking, and other activities tracked using fitness devices or apps synced with AIA Vitality. Should you exercise more than once a day or use more than one activity tracking device, we will record the highest points earning activity only.
- Your points will be reflected on the app on the Dashboard page within 5 days after your data is uploaded.

Important points to remember

- AIA Vitality members will continue to be rewarded with AIA Vitality Active Benefits even after they have reached their 15,000 points cap for physical activity provided they have done physical activity equivalent to meet their weekly Active Benefits target.
- AIA Vitality Points awarded for organised fitness events are excluded from AIA Vitality Active Benefits.
- Cash rewards earned as Active Benefits are only able to be paid into a valid Commonwealth Bank account. Ensure your bank account details are always kept up to date so payments are not delayed. Only one nominated bank account is permitted per AIA Vitality membership.
- Use of this benefit is subject to the AIA Vitality Active Benefits rules, the AIA Vitality Terms and Conditions, AIA Vitality Terms of Use and the AIA Australia Privacy Policy available at aiavitality.com.au. Benefits may be varied or withdrawn in accordance with the AIA Vitality Terms and Conditions.
- Specific retailer vouchers may be subject to expiry dates; please refer to your specific voucher for more details.

APPLE WATCH BENEFIT GUIDE

October 2023

APPLE WATCH
SERIES 9

Track progress in the Workout app, easily connect Bluetooth accessories to get metrics like Power and Cadence. See new views like Power Zones. Stay motivated and close your Activity rings when you hit your personal daily goals.

With Apple Watch you now have a new way to increase your physical activity and stay motivated to make healthier choices. Physical activity is one of the cornerstones of good overall health and wellbeing, and we're excited to be able to deliver this fantastic benefit to AIA Vitality members.

Get Apple Watch. Get active. Get rewarded

You can now choose to get an Apple Watch Series 9 (GPS), (total value \$649) and use your Active Benefit rewards to earn your Apple Watch in full, by getting active and achieving your weekly Active Benefits target each week for 24 months.

How does the benefit work?

You'll need to enter into an agreement with our loan provider, etika for a loan amount of \$649, and set up a direct debit for 24 months. You can reduce your monthly repayments by being active and achieving your weekly Active Benefits targets. Your weekly Active Benefits target is dynamic, and is based on your target achievements in previous weeks.

Weekly Active Benefits target(s) you achieve each calendar month [^]	Your repayments to etika	AIA Vitality will pay
0	\$27	\$0
1	\$22	\$5
2	\$17	\$10
3	\$12	\$15
4 or 5	\$0	\$27

You'll need to complete an etika real time credit check as part of the purchase process. Please ensure any personal details (full name, address, DOB, email address) you enter as part of this credit check match your AIA Vitality membership details. Once your loan with etika has been approved, you will receive an Apple Store Gift Code (valued at \$649) for you to purchase your Apple Watch Series 9 (GPS), at the Apple Store. The loan with etika is fixed at \$649, you cannot change the loan amount.

Apple Watch Series 9 requires an iPhone XS or later with iOS 17 or later.

[^] The last (24th) monthly payment will be billed at \$28. AIA Vitality will cover the full \$28 in the last month if all physical activity targets are met.

Link your Apple Watch Series 9 (GPS) and earn AIA Vitality Points

- Once you receive your Apple Watch device, you'll need to link your Apple Watch to Apple Health, and then link Apple Health to AIA Vitality. Details can be found under the 'Connected apps & devices' section in the 'Account' section of the AIA Vitality app.
- You can earn a maximum of 100 AIA Vitality Points each day for all fitness-related activities (excluding organised fitness events) including gym session, walking, and other activities tracked using fitness devices or apps synced with AIA Vitality. Should you exercise more than once a day or use more than one activity tracking device, we will record the highest points earning activity.
- If you participate in an organised fitness event (such as a marathon), the points you earn for that event may exceed the daily cap of 100 points and will contribute towards the yearly maximum of 15,000 Points for all physical activities.
- Your Points will be reflected on your online AIA Vitality Points Statement within 5 days after your data is synced.

Important points to consider

- If you activate the Apple Watch benefit, you will no longer be eligible to select any of the standard \$5 Active Benefit vouchers, donations or cash deposits for the next 24 months.
- The loan with etika is fixed at \$649, you cannot change the loan amount.
- You may choose the 45mm version of the Apple Watch Series 9 (GPS). If you do, however you will need to pay the difference upfront at the Apple Store.
- You must ensure your physical activity data is regularly synced with your AIA Vitality account. We recommend

syncing (by opening the AIA Vitality app AND the Apple Health app to check your progress against your weekly Active Benefits target) at least twice a week. This will ensure that if you're reaching your weekly Active Benefits targets, AIA Vitality will cover the applicable etika repayments on your behalf.

- To cover repayments to etika, you must achieve your Active Benefits target displayed in the AIA Vitality app each week. Closing the rings on your Apple Watch is a completely separate measure of your activity levels, and is not used to determine if you've successfully achieved your weekly Active Benefits target.
- If you terminate your AIA policy, all outstanding loan repayment amounts for this benefit will need to be settled in full and directly with etika. Please refer to your loan agreement for more details.

January 2024

What is the benefit?

- AIA Vitality members can receive a status-based cashback of up to 50% on the base fare of one international booking and one domestic booking, or two domestic bookings on eligible Virgin Australia flights when booked via the AIA Vitality app. AIA Vitality members receive status-based cashback on the first two eligible flights booked in their membership year.
- A cashback of 10% will be payable to the member only for all subsequent eligible flights.
- The cashback amount is capped at \$2,000¹ per passenger, per booking, regardless of the member's AIA Vitality status at the time of booking.
- The cashback percentage is based on the AIA Vitality status of the member at the time of booking.

AIA Vitality Status	Cashback
Bronze	10%
Silver	20%
Gold	30%
Platinum	50%

Please note that to access this benefit, the AIA Vitality member must have completed all components of the AIA Vitality Health Check within the last 12 months.

- At the time of booking, if the member has not completed an AIA Vitality Health Check² within the last 12 months, then a cashback of 10% will be payable to the member only, and the booking will count towards the benefit usage for the membership year. This includes members who are eligible for AIA Extra benefits.
- Flights must be booked at least 10 days in advance of the date of travel.
- Members can book one international flight on United Airlines, Singapore Airlines and Qatar Airways using their Flight Benefit. This includes destinations across North America, Asia, the United Kingdom, Europe, and the Middle East.

How can the benefit be accessed?

1. Open the AIA Vitality app.
2. Navigate to 'Rewards' and scroll down to 'Virgin Australia'.
3. Follow the prompts under, 'Book now', to access the Virgin Australia booking portal.
4. After selecting your travel date(s) you will need to tap "X" in the top right corner for the screen to progress to the booking screen.
5. Select an 'AIA Vitality' marked flight. Please note that if the flight selected is NOT marked with 'Special Fare', it is not an eligible flight and no cashback will be paid.
6. Cashback for an eligible flight is processed based on the order in which you made the booking and applies to the first two eligible flights booked each membership year. If a member has booked three flights, the first two eligible flights booked are the flights the member will receive cashback for.
7. Once the booking process is complete, the member will receive the booking confirmation/itinerary directly from Virgin Australia.
8. To ensure a cashback is processed correctly, the member must enter flight details via the 'Register for your cashback' form. This can be found within 'Virgin Australia' in the 'Rewards' section in the AIA Vitality app. Failure to complete this form may result in a delay in receiving your cashback.

- The cashback will be paid via direct deposit into the members nominated bank account within six weeks.

Note: Members eligible for AIA Extra must follow access instructions contained within their AIA Extra confirmation of eligibility email, not through the AIA Vitality app.

Who may use the benefit?

- Only the AIA Vitality member making the booking may be eligible for status-based cashback.

What if Velocity Points are used?

- If you use Velocity Points to reduce the cost of the flight booking, please note the cashback payment will be calculated on the remaining base fare amount after Velocity points have been used.
- For example, if Velocity Points have been used to fund \$250 of the total booking, which has a base fare of \$1,000, then the member's status-based cashback percentage will be applied to the remaining base fare of \$750.
- If the value of the Velocity Points equals or exceeds the base fare of the booking, then no cashback will be payable.

Important points to consider

- To be eligible for a status-based cashback, flights must be booked via the AIA Vitality app, are marked with the 'AIA Vitality' label, and must be booked at least 10 days in advance of the date of travel.

- Flights booked via any other channel (including a travel agent, third party online booking site, directly through Virgin Australia's website, or as part of a package) are not eligible for a cashback.
- The cashback amount for the member will be paid as a single payment into the member's nominated bank account in the AIA Vitality app.
- The cashback amount is calculated on the base fare only and is not applicable to any taxes and surcharges, card payment fees, amendment or cancellation fees, incidental or administrative fees, or travel insurance.
- AIA Vitality members can receive a cashback for a flight that they are taking for their own use only. The cashback cannot be applied to flights for any other individual, or to flights where the AIA Vitality member is not listed as the lead traveller in the booking.
- AIA Vitality members travelling together can book separately and then contact the Virgin Australia Guest Contact Centre on 13 67 89 to link their bookings. Virgin Australia may need to speak with both members, who need to supply the passenger name record (PNR) for both bookings and request that these be linked. The PNR can be found on the booking confirmation from Virgin Australia.
- Booking modifications and cancellations are permitted as per Virgin Australia fare class rules. The cashback will be applied to the original booking only and any fare increase due to modifications are not eligible for an additional cashback.
- Modifications will not drive recovery of a cashback unless the change is the removal of the AIA Vitality member from the booking, in which case this will be treated as a cancellation.
- If an AIA Vitality member cancels a booking for which they have received a cashback, the member must refund the cashback amount within 60 days. If the booking included a status-based cashback, the member will be entitled to book another eligible flight to receive a status-based discount within the AIA Vitality membership year.
- Queries regarding all aspects of an AIA Vitality member's flight booking, including modifications and cancellations, must be directed to Virgin Australia's Guest Contact Centre on 13 67 89.
- AIA Australia will use all reasonable endeavours to ensure that AIA Vitality flags are aligned with the outlined rules for eligible flights.
- Use of this benefit is subject to the AIA Vitality Terms and Conditions, AIA Vitality Terms of Use, and the AIA Australia Privacy Policy available on the AIA Vitality website.
