Important Information

Before you sign this application form, be aware that we or your adviser are obliged to have provided you with a Priority Protection Product Disclosure Statement (PDS – either in electronic or hard copy format) containing a summary of the important information in relation to this product. This information will help you to understand the product and to decide whether it is appropriate for your needs.

About this application

The life insurance policy being applied for with this application is a consumer insurance contract within the meaning of the *Insurance Contracts Act 1984 (Cth)*. When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can cover you, and if so, on what terms and at what cost.

We will ask questions we need to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you give us in response to our questions is vital to our decision.

The duty to take reasonable care

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty applies to a new contract of insurance and also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. There are different remedies that may be available to us. These are set out in the *Insurance Contracts Act 1984 (Cth)*. These are intended to put us in the position we would have been in if the duty had been met.

Your cover could be avoided (treated as if it never existed), or its terms may be varied. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

Before we exercise any of these remedies, we will explain our reasons and what you can do if you disagree.

Guidance for answering our questions

You are responsible for the information provided to us. When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.

Changes before your cover starts

Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

If you need help

It's important that you understand this information and the questions we ask. Ask us or a person you trust, such as your adviser for help if you have difficulty understanding the process of buying insurance or answering our questions.

If you're having difficulty due to a disability, understanding English or for any other reason, we're here to help. If you want, you can have a support person you trust with you.

Notifying the insurer

If, after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

X. Financial Adviser Authority

Note: the references to 'Policy Owner' in this section excludes Equity Trustees Superannuation Limited, where it is a Policy Owner in respect of a Superannuation Plan acquired for a member of the Scheme.

This section needs to be completed if you wish to allow your financial adviser to provide AIA Australia with instructions relating to your life insurance policies on your behalf and to authorise AIA Australia to accept those instructions. If you allow your financial adviser to provide AIA Australia with instructions on your behalf, this authority will apply in relation to the life insurance policy contemplated by this application form (and associated AIA Vitality membership/s) and any other retail life insurance policies underwritten by AIA Australia (and associated AIA Vitality membership/s) where the policies are arranged by your adviser as long as those policies cover a Life Insured who has signed this form and is owned by any of the Policy Owners who sign this form ('your policies'). This financial adviser authority does not apply to private health insurance policies issued by AIA Health Insurance Pty Ltd.

To establish the adviser authority, all Policy Owners, Lives Insured and their adviser need to complete and sign this application form.

NOTE: If the identity of one of the Policy Owners, one of the Lives Insured or the adviser, changes after this authority takes effect, a new authority will be required.

The financial adviser nominated in this application form will have authority to instruct on the following matters relating to your life insurance policies as well as any AIA Vitality membership/s referable to your life insurance policies:

- Credit card expiry update
- Change of address or other contact details
- Change of payment details (where a completed credit card authority or direct debit request has been provided by the Policy Owner)
- Removing/decreasing a benefit or other policy feature or AIA Vitality feature
- Adding/amending or terminating an AIA Vitality membership
- Change in cover due to age parameters
- Cancel cover/policy
- Change occupation class
- Change of premium pattern
- Change of premium payment frequency
- Change of smoker status
- Instructions relating to benefit indexation on your policy/policies
- Suspending premium payments
- Reinstating a policy where underwriting is not required
- Apply to remove loadings or exclusions
- Removing payment details (stop debits)

IMPORTANT NOTES

The authority allows the adviser to give instructions on your behalf in connection with the matters described in the bullet points above and authorises AIA Australia to accept those instructions. This means, for example, that your adviser will be able to instruct us to make changes to your life insurance policy/policies or AIA Vitality membership/s and we may make those changes without confirming the adviser's instructions directly with you in some circumstances.

AIA Australia may not have the functionality to accept every type of instruction on your behalf at any given time.

Accordingly, AIA Australia reserves the right to request additional information, forms, documents or confirmations from a person (including from the Policy Owner/s, the Lives Insured, the adviser or another person) before an instruction is processed.

Under the terms of this authority, the Policy Owner/s and the Lives Insured will generally be responsible for the adviser's conduct under this authority and AIA Australia will not generally be responsible for such conduct (subject to applicable law).

If required, you should obtain your own legal or other professional advice before signing this authority

GENERAL TERMS

- This authority will take effect on the date the life insurance policy or policies resulting from this application are issued, or for existing policies, from the date this application is processed.
- All Policy Owner/s, Lives Insured and the adviser must agree to this authority in order for it to take effect.
- This authority applies to any life insurance policy underwritten by AIA Australia and associated AIA Vitality membership/s where the policy is owned by the Policy Owner/s signing this form, covers the Lives Insured signing this form and is arranged by the adviser signing this form.
- AIA Australia excludes all liability in relation to this authority, except that which cannot be excluded by law.
- AIA Australia may seek confirmation from the Policy Owner/s or Lives Insured regarding any instruction received from the holder of this authority prior to acting on such instruction.
- This authority will immediately terminate in respect of a life insurance policy on cancellation of that policy and AIA Australia may also terminate this authority in respect of a policy on death of the Policy Owner or Life Insured under that policy.
- AIA Australia may decline to act on an instruction received from an adviser under this authority or may choose not to act on such an instruction unless a person (including the adviser, Policy Owner/s or Lives Insured or another person) provides additional information, forms, documents or confirmations requested by AIA Australia.
- AIA Australia may at any time, conduct an audit of the adviser's performance of its obligations under this authority.
- For the avoidance of doubt, this authority does not require AIA Australia to act on instructions that would not be valid if provided by the Policy Owner/s or Lives Insured.
- If the Policy Owner/s and Lives Insured if relevant, cease their relationship with the adviser nominated in this application form, this authority will terminate.
- If the adviser nominated in this application form moves to a new adviser firm or dealer group and retains a relationship with the Policy Owner/s, and if relevant the Lives Insured, AIA Australia may, provided the new adviser firm or dealer group has an existing distribution agreement with AIA Australia, allow this authority to continue.
- In the case where there is more than one Policy Owner, the adviser must obtain and confirm instructions from all Policy Owners and, where relevant, the Lives Insured.

Do you wish to appoint the financial adviser nominated in this application form under this authority?

- No Yes → The financial adviser nominated will be able to provide AIA Australia with instructions relating to your life insurance policies (including the policy contemplated by this application form and any other retail life insurance policies underwritten by AIA Australia (and associated AIA Vitality membership/s)) on your behalf and AIA Australia will be authorised to accept those instructions.

A copy of the quotation is attached to this application

If this is an application for a superannuation policy owned by Equity Trustees Superannuation Limited, I acknowledge that I can only contribute to the Scheme for the purpose of funding premiums due under the Superannuation Life Cover Plan and/or Superannuation Income Protection Plan (Plan/s) which I am applying for, and agree that the trustee of the Scheme may acquire and continue to hold the insurance benefits provided under the Plan/s, even if (i) my superannuation account has not had a balance of at least \$6,000 at any point in time or (ii) I am under 25 years of age.

Note: due to superannuation legislation restricting the ability of the trustee to hold cover for members with a low account balance or who are under 25 years of age, your application will not be considered if you do not meet the minimum account balance and age threshold and do not tick this box.

Note: This application form was designed for the product with the name and version listed on the top of first page and summarised in the code at the bottom of most pages in this application form.

AIA Australia may accept the information and statements you provide in an application form (including your agreement to any declarations) even when the application form was not designed for the product and version for which you are applying. In these circumstances, AIA Australia may treat such information and statements as being part of your application for insurance (and AIA Vitality, if relevant). AIA Australia may also require that you provide additional information or statements or that you complete further forms or that you provide further agreements or consents before your application is progressed.

To help avoid delays in processing your application, please ensure that the product and version in this application form (see the top of page 1) corresponds to the product name and version you are applying for as per your quotation.

Note: Your premium(s), excluding premium(s) made via the Scheme, will be held in a trust account administered by us until the policy is issued to you.

Notes on releasing information about your health

Your health information includes details about all your interactions with health providers, and may include details such as your symptoms, treatment, consultations, personal medical history and lifestyle. Health providers cannot release this information about you without your consent.

We, (AIA Australia), collect and use your health information to assess your application for cover, to assess and manage your claim, or to confirm the information you gave us when you applied for cover or made a claim. This is why we need your consent.

Each time you apply for cover or make a claim, we will ask you for a fresh consent. We will respect your privacy by only asking for the information we reasonably need, and we will tell you each time we use your consent.

Please read each Authority carefully and the explanatory notes below.

Authority 1

Authority 1 explanatory notes – through this Authority, with the exception of a copy of the consultation notes held by your General Practitioner/Practice, you are consenting to any health provider releasing any health information about you in the form we ask for.

This may involve, for example:

- preparing a general report and/or a report about a specific condition;
- accessing and releasing your records in SafeScript;
- releasing your hospital patient notes;
- releasing the results of any investigations they have done; and/or
- releasing correspondence with other health providers.

Authority 1 – to release any of my health information except the consultation notes held by my General Practitioner/Practice

With the exception of consultation notes held by any General Practitioner/Practice I have attended, I authorise any health provider, practitioner, practice, psychologist, dentist, allied health services provider or any hospital to access and release, in writing or verbally, any details of my health information to AIA Australia, or to third parties they engage.

I agree to all the following:

- My health information can be released in the form AIA Australia asks for, such as a general report, a report about a specific condition, my records in SafeScript, any hospital notes, or correspondence between health providers.
- AIA Australia can collect, use, store and disclose my personal information (including sensitive information) in accordance with privacy laws and Australian Privacy Principles.
- This Authority is valid only while AIA Australia is assessing my claim or application for cover, or is verifying disclosures I made in connection with the cover.
- A copy or transcript of this Authority will be valid and effective, and this Authority should be accepted as valid and effective where I have signed electronically or consented verbally.

Authority 2 explanatory notes – through this Authority, you are consenting to any General Practitioner/Practice you have attended releasing a copy of your full record, including consultation notes, but only if we have asked them to provide a general report and/or a report about a specific condition under Authority 1, and either:

- they will be unable to, or did not, provide the report within 4 weeks; or
- the report provided is incomplete, or contains inconsistencies or inaccuracies.

Your General Practitioner maintains consultation notes to support quality care, your wellbeing and to meet legal and professional requirements. General Practitioners/Practices should only release a copy of your full record, including consultation notes, for life insurance purposes in the rare circumstances set out above.

If you choose to withhold your consent to this authority, we may not be able to process your application for cover or a claim.

Authority 2 – to release a copy of the full record, including consultation notes, held by my General Practitioner/Practice in specified circumstances

I authorise any General Practitioner/Practice I have attended to release a copy of my full record, including consultation notes, to AIA Australia, or to third parties they engage, only if AIA Australia has asked them for a report on my health and either:

- the General Practitioner/Practice will be unable to, or did not, provide the report within four weeks; or
- the report is incomplete, or contains inconsistencies or inaccuracies.

I agree to all the following:

- AIA Australia can collect, use, store and disclose my personal information (including sensitive information) in accordance with privacy laws and Australian Privacy Principles.
